Florence 28 August 2012

To The Tribal Council Rosebud Sioux Tribe

To The Traditional Government of the Lakota Nation

To The Traditional Chiefs and Spokesman of the Lakota Nation

To Dr. Alessandro Martire Attorney at law and liaison assistant in Italy

Of the Lakota Sicangu Nation

The OSCE PA, seen the international acts issued also by the State of South Dakota and the U.S. Senate, recognized the efforts made between the officials of Italy and of the Lakota Nation, the protocols of friendships signed since 1995, that resulted in a positive working relationships and this partnership has many exiting future possibilities and opportunities. The OSCE PA recognizes and appreciate the goals of this mutual international working partnership, which is to promote and encourage future international relationships and cultural exchanges between the Italian and Lakota Nation.

International delegations from both Nations, have already participated in worthwhile exchanges, and the Commission appreciate and recognizes the working and the visit foreseen for September 2012 in Florence in occasion of the "Wolakota 2012 Event", creating in this way the possibility to expand our partnership in humanitarian, cultural, political and educational endeavors, mainly addressed to the youth of both Nation.

A special thanks to the liaison assistant in Italy of the Lakota Sicangu Nation: Doctor Alessandro Martire – "Oyatenakicijipi" – Honorary Tribal member of the Lakota that, since 1994, promoted in Italy and Europe, these international political and humanitarian relationships between the two Nations.

Best regards.

Hon. Riccardo Migliori.
